

Helping North Dakota farmers strengthen cropland productivity and resilience with perennial grass cover.

Application and signup deadline coming soon, check with your local Soil Conservation District or the North Dakota Game and Fish Department for updates.

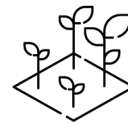

### Program Administration and Delivery

The program is administered by North Dakota Association of Soil Conservation Districts and North Dakota Game and Fish, with local delivery through Soil Conservation Districts.

### Guiding Principles – The LEGACY Framework

- ✓ Land Stewardship
- ✓ Ecology & Energy
- ✓ Growth & Governance
- ✓ Agriculture & Access
- ✓ Conservation & Collaboration
- ✓ Yield & Your Future

### Benefits of Perennial Cover

- ✓ Improved Soil Health
- ✓ Water Retention
- ✓ Wildlife Habitat

## Program Details

- 5-year agreement to establish and manage grass
- Annual rental payment based on the average county rental rate
- Cost share for grass seed and seeding - \$50/acre for seed | \$50/acre for establishment
- \$10 per acre Crop Insurance Premium Reduction for every acre of perennial grass established
- Optional \$15 per acre public access incentive through NDGFD’s Private Land Open To Sportsmen (PLOTS) program.

**OPEN TO ALL TYPES OF CROPLAND**
