

## What is TAP?

Trusted Advisor Partnership (TAP) is a program dedicated to building a strong community of Certified Crop Advisors (CCAs) who help producers improve soil health and adopt conservation practices.

## Why Join?

As a member, you will gain access to:

### Professional Network

Connect with peers supporting producers across the Northern Plains.

### Collaborative Problem-Solving

Discuss field-level challenges through online forums, Zoom meetings, and peer connections.

### On-Demand Resources

Access curated knowledge and CCA-driven content anytime.

### Incentive Programs

Participate in initiatives that support producer implementation and knowledge sharing.

## Timeline

- Applicant Confirmation: End of November
